

**A****Entrance A**

Main entrance, with all facilities such as the car parks, bus stop, monorail connection, guest services and ticket offices. Inside the park, you'll find the spectacular Great Escape Movie Ride and the Movie Magic show.

B**Charleston Avenue**

Stroll down this waterside boulevard with plenty of shops, restaurants and the Charleston Stage Theater or board The Wilderness Steam Line in the Central Station for a scenic trip around the park.

C**Canada**

Race through an old haunted mine in the Silver Express, splash down from the Niagara Falls or go on an interactive 3D-adventure in Catastrophe Canyon, all hidden in the dark forests of Canada.

D**Entrance B**

This entrance is the gate to the evening shows in our Tivoli Concert Hall and the splashtastic Aquadome swimming pool.

E**Thunder City**

This old medieval town holds many secrets. Sail to the orient in Journey to Yakarta, but beware of the pirates! In Ghost Circus you'll board an omnimover-type ride through a classic haunted house.

F**Factory X**

An abandoned factory site is now home of several thrill rides, including an indoor shot 'n drop tower, and Earthquake: a turbulent ride in the dark.

Spain

The Villa Vizcaya-madhouse is the centrepiece of this waterside-town in the Mediterranean with the Dive of the Falcon as a spectacular backdrop.

Ancient Asia

Travel to the Orient on a flight with the Tengu flying coaster, through the Himalaya on a runaway train in Annapurna Railways or stroll around in the Chinese gardens.

Piazza Italiana

World-class entertainment in different theatres, restaurants and bars around the Italian square. Connected to both entrances by monorail, this area remains open for visitors after park hours.

Fort Jefferson

An impressive wooden rollercoaster built around an old fortress.
