### Description

Unfortunately due to my job as a theme park designer I am too busy to play music these days and would like to sell my guitar pedals to someone who will get more use from them than me. All items are used but in mint condition. I am selling the following:

- Electrocharmer Tube Boost (Tubes replaced 5 years ago, they seem to be holding out fine)
- Baus Stereo Looper Pedal (Includes tap tempo and drum machine)
- Deep Blue Digital Reverb Pedal (Minor water damage but still works perfectly)

Pedalboard, case, and cables not included. No returns or trades.
