

# Explore Mining History

Victoria Mine Museum focuses on preserving mining heritage while providing engaging experiences for all visitors.

## About the Museum

Featuring operational steam engines, mine works, a visitor center, a huge Vekoma Tilt Coaster that climbs the old mine tower and drops vertically through the shaft, an interactive Mine Tour, Steam Train rides, a mine cart adventure, and more! A fun-filled day for both history lovers and thrill seekers!

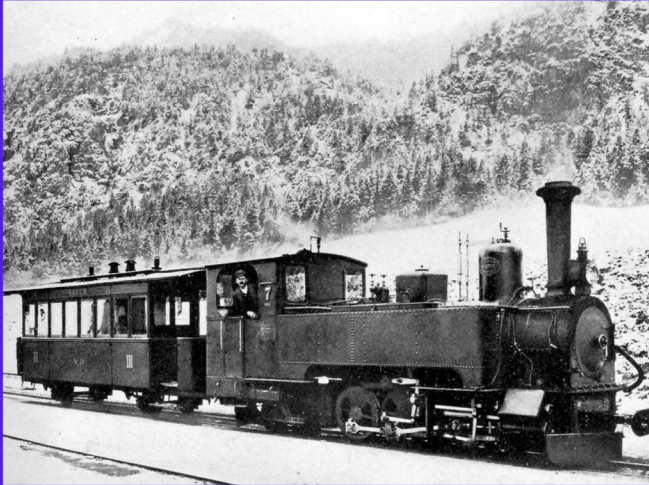

## Why Visit Victoria Mine Museum?

We believe in showcasing mining history while offering fun and educational experiences. With our restored engines and interactive exhibits, Victoria Mine Museum makes for a delightful day out.

## Contact Us

Victoria Mine Museum,  
123 Coal Ave, Miningtown, RCT
